ABOUT

ONE POINT OF CONTACT

End-to-end luxury service, from first request to final experience

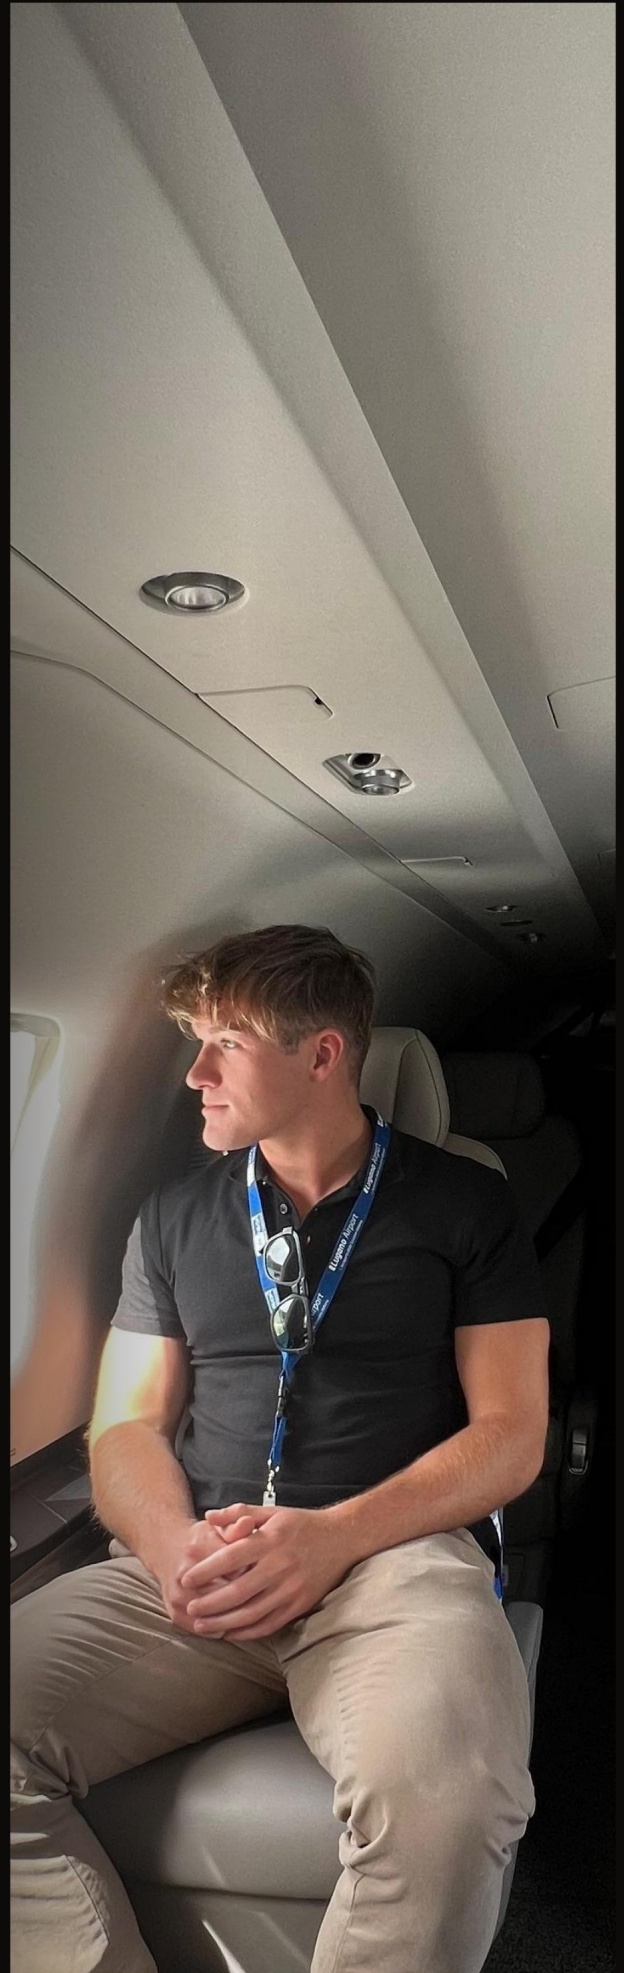

Stefano Inversini is an independent luxury services consultant based in Lugano, Switzerland. With deep expertise in private aviation, helicopter transfers, and bespoke lake and yacht charters, Stefano acts as your single point of contact for every aspect of the experience — from the first message to the final landing.

Every journey is tailor-made around the client's vision, schedule, and standard of excellence. Stefano coordinates every detail through a carefully selected network of trusted partners.

Confidentiality is the foundation of every relationship. A mutual NDA is signed before any collaboration begins.

THE HIGHEST LEVEL

BESPOKE EXPERIENCE

*“No catalog. No standard package.
One request is enough.”*

Every client is different. Every vision is unique. Stefano does not offer a menu — he listens, understands, and designs an experience from scratch, shaped entirely around the client's desires, lifestyle, and standards.

For returning clients, Stefano proactively proposes experiences based on known preferences — a surprise alpine escape, a last-minute Mediterranean charter, a private dinner under the stars.

TELL STEFANO WHAT YOU DREAM OF. HE WILL MAKE IT HAPPEN.
